

The Clifton Village Handbell Ringers

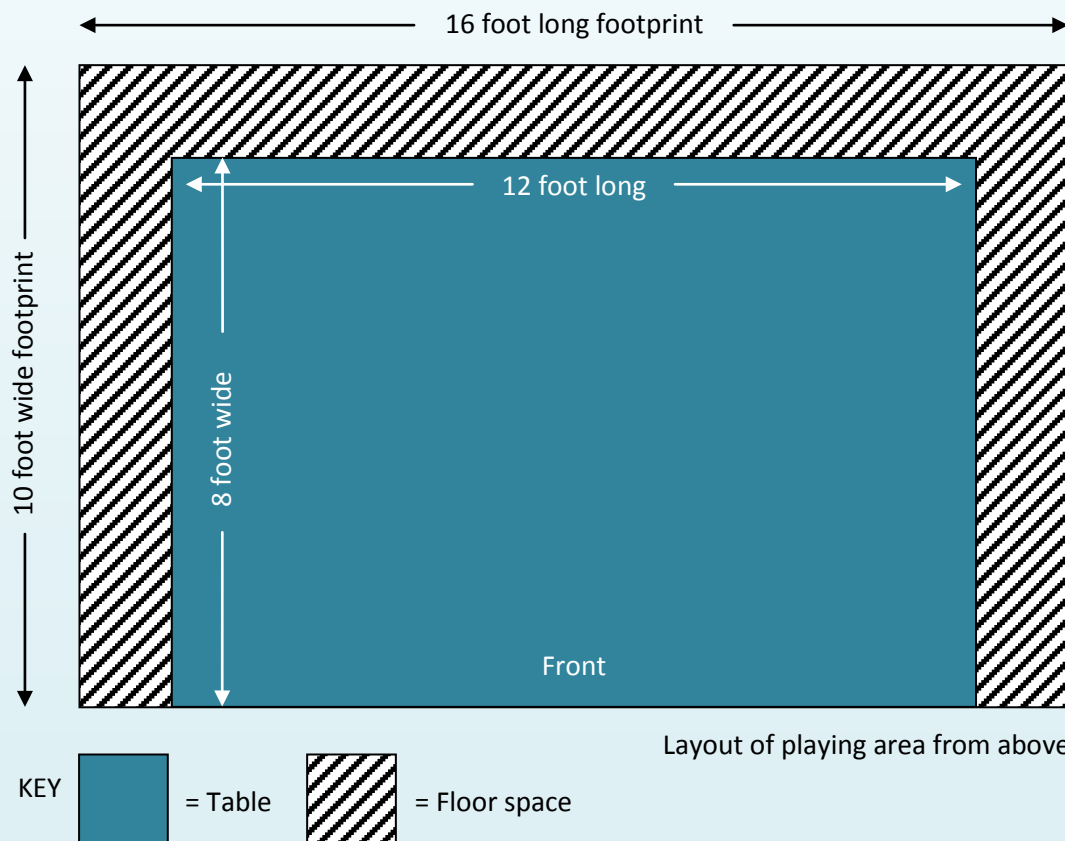

The Village Ringers venue request:

The Village team require a floor space of 10 foot by 16 foot. This is to accommodate a large table and 2 feet of standing space.

(See image below)

We bring six 4x4 foot tables, large foam pads and several large Bell Boxes. All this we carry by hand into the venue. We would ask that there is a clear space by the entrance for the box trailer we use to transport all this equipment. We would also appreciate a parking space to accommodate 1 vehicle + trailer during the performance.

We are happy to wait in or out of the performance as you require but we do ask that there is seating for 8.

Thank you for considering us and we look forward to entertaining you soon.

Request:

- 10 x 16 foot of playing space
- Space at entrance for loading and unloading
- Parking for 1 vehicle and trailer
- Seating for 8 whilst not playing
